Savage River Dam, MD (Section 7)	775	105,653

TOTAL	\$70,515	

- NOTES:
- (1) Does not include flood damages prevented by Stevenson Dam (\$523,000 in FY 05), which is owned by PA but regulated by Baltimore District for flood control.
 - (2) Flood damages prevented by the Indian Rock Dam-York, PA flood protection project are not included. The economic data required to compute these estimates are not available.
 - (3) Actual dollars since 1968 or project completion, if later. Includes FY 05 damages prevented.
